

Greetings

My name is Giselle Miller and I am running for the Board of Directors of Winter Haven Resort.

I live at 12 Sunset with husband Ray Raymond. I have two grown sons, Brian and Paul, a delightful daughter-in-law Janine and two precious granddaughters, Kora and Remi. Paul and Andrea are expecting their first baby in January. I am blessed.

My dad, Gerry Morin, and my mom, Peggy Morin, bought the lot at 12 Sunset in 1997 and spent the next few winters building their home. I purchased 12 Sunset in 2010 when my parents bought 15 Sunset, a bigger home that provided room for my brother, Jeffrey, to come down when they did to escape New York winters. After my father passed in 2019, my mother and Jeffrey made Texas their full time residence.

Ray and I have been full time residents since 2017 when I retired from the New York State Department of Corrections. I was employed as a GED instructor at Auburn State Prison, a maximum-security facility. Previously, I was employed in public schools as an Academic Intervention teacher. I also taught as adjunct professor in the Graduate Reading Department at Saint Bonaventure University. I enjoyed my career as a teacher in varied settings, and am particularly grateful for the insights I gained about people in these experiences.

While I was still working, Ray and I were able to enjoy the amenities Winter Haven Resort offers during summer months. We decided to make this our home when I retired. I have worked on several committees including the Dance Committee for 3 years and the Activities Committee where I am still active. During Covid, I had the opportunity to offer some assistance to the manager Tom Sinyard in writing grants. I am happy to say we got that grant.

I am running for the Board of Directors in order to have the opportunity to serve the interests and needs of Winter Haven Resort residents.

Giselle Miller
